Memorandum

TO : AD/OEL

DATE: 3 December 1964

FROM : DAD/S&D

SUBJECT:

25X1A

25X1A

Because of the obvious political implications of the [redacted] Presentation to NRO, I asked Dr. Wheelon today if he had any advise on how this should be couched. He indicated he is trying to get the entire presentation cancelled. I have not passed this word on to [redacted] who is preparing the details for OEL. Wheelon indicated we have to get together on the stratgy to be followed tomorrow.
